Chuck has testified before U.S. House and Senate committees on insurance-related topics ranging from the Dodd-Frank Act to Hurricane Katrina. Before joining NAMIC, he worked for ten years in Washington, D.C., including serving in the George H.W. Bush administration as Deputy Assistant Secretary for public affairs under HUD Secretary Jack Kemp.

In addition to Holborn, Chamness serves on the boards of a primary insurance company and an independent rating bureau. He holds a B.A. from Indiana University, Bloomington and received the Bicentennial Medal for distinguished service to the university in 2020.

*"I'm excited to join the board of Holborn and to contribute to the great culture of client service it has established over more than a century as an independent broker,"* said Mr. Chamness. *"I know many Holborn clients from my career in service to the mutual insurance industry, and I appreciate Holborn's alignment with these companies and the firm's outstanding team, which is known for generating long-term relationships and client success."*
